ORDER

On November 15, 2012, Gearheart Communications Inc. d/b/a Coalfields Telephone Company ("Coalfields Telephone") filed with the Commission a proposed amendment to the interconnection agreement between Coalfields Telephone and Powertel/Memphis, Inc. and T-Mobile Central LLC ("T-Mobile"). The amendment was negotiated pursuant to 47 U.S.C. §§ 251 and 252.

The Commission has reviewed the proposed amendment and finds that no portion of the amended agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that implementation of this amendment is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the proposed amendment is effective as of the date of this Order.
